

NOPHO lecturer 2023

Ulrika Kreicbergs

Ulrika Kreicbergs, RN, PhD, holds a professorship, funded by Gålö Foundation, in palliative care for children and youth at Marie Cederschiöld University and is also associated to Karolinska Institutet, Stockholm, Sweden.

Her research on families affected by cancer has been acknowledged worldwide. She received the prestigious Schweisguth Prize – SIOP, the International Society of Paediatric Oncology in 2004. Dr Kreicbergs did her postdoc at Dana Farber Cancer Institute and Boston Children's Hospital in Boston, US. Dr Kreicbergs has continued her research on the child and family in palliative care. Her work is focused on factors in the health care that can be modified or avoided to reduce suffering and thereby enhance quality of life for the child and their families.
