Poster presentations

If you're displaying a poster at the NOBOS Conference in Trondheim - here's important information for you!

All presenters must be registered to Conference by May 10th.

Prepare Your Poster

Each presenter is provided with a 2.5 m high by 1 m wide poster board.

Your posters should be no bigger than 120 cmx85 cm (A0 format)

Place the title of your paper prominently at the top of the poster board to allow viewers to identify your paper.

Highlight the authors' names and contact information in case the viewer is interested in more information.

Prepare diagrams or charts legibly in a size sufficient to be read at a distance of 1,5-2 meters.

Be creative by using different font sizes, styles, and colours.

Organize the presentation so it is clear, orderly, and self-explanatory.

Include the background of your research followed by results and conclusions. A successful poster presentation depends on how well you convey information to an interested audience

NOTIFY: Posters should be set up between **9:00- 12:00 on Saturday May 9th .**

Organizers will provide with material to attach the posters to poster boards.
